

Adult Private Cooking Events, Teams, and Cooking Competitions

We are dedicated to providing a fun and engaging culinary event for you and your guests.

Overview

Private events take place in our teaching kitchens in Suite 130 on the main floor of the Opera Galleria in Old Town Fort Collins. Classes are designed to include everyone and everyone cooks and eats no matter their age and capability. Our mission to provide an encouraging environment for you and your guests.

What's included:

- ✓ Recipe packets to use in class and take home
- ✓ Chef instruction on recipes, culinary skills, and cooking techniques
- ✓ All food, cooking tools & other equipment
- ✓ Everyone eats the meal prepared
- ✓ Wine and Beer can be served and are paid for at the time of service or after the event.

Customization option:

We'll send you a list of menus to choose from. We have a variety of menu choices, so one should fit with your group. Please check on allergies/food restrictions before making your choice. It's not always possible to make appropriate substitutions.

Happy Hour option: This 2 hr class is appropriate for any time of day and doesn't need to take place during Happy Hour. It's an appetizer class that's appropriate for larger groups (up to 30 people). The Chefs do a brief demo on knife and other skills & then everyone makes their own appetizer. Options are: (1) Vegetable Spring Rolls with Peanut & Sweet/Sour Sauces -or- (2) Japanese Potstickers (Gyoza) with sauces. We're sorry, but the Appetizer class is not available for groups smaller than 13 people.

Competition option:

We love doing friendly cooking competitions. The competitions can be structured as a 'guided competition' where recipes are used by everyone and the Chefs help each team as needed (most popular), or you can compete without recipes where the Chef is available for consultation only (**advanced cooks only for this option**). Awards are given for the ***Best Presentation*** and ***Best Use of an Ingredient***

You are welcome to bring any decorations or props that you'd like. We keep only items in The Cooking Studio that are needed for cooking, teaching and eating.
